VAD ANDRA TYCKER

Svenska lag som tidigare har rest till Salou med Antonio / Football Abroad

Killarna bokstavligen älskade denna resa och upplevelse. Boendet var mycket bra liksom logistik till och från matcherna. Vi spelade i den äldre klassen så fick besöka flera mysiga städer och arenor. Det var även bra upplägg med gruppspel och guld- och silversluts spel samt placeringsmatch. Ligger även perfekt inför uppstart av vår säsong och minimal ledighet behövs. Tack,

Fredrik Bergström, Örbym P06

Det var en stor upplevelse för laget. Antonio tog hand om alla detaljer och vi kunde fokusera på att bara njuta. Var verkligen positivt att få se lokala fält och uppleva det "Spanish way".

Anders Norlin, BP P04

En stor upplevelse för killarna i en cup med mestadels spanska lag. Resorten var fantastisk, spelarna kunde gå runt säkert. Du får känslan av en olympisk villa.

Carl Neij, DIF P06

En superrolig upplevelse för killarna. Bra arrangerat med logistik, mat samt boende. Vi är glada och nöjda med cupen. Antonio var klass hela vägen och fanns alltid tillgänglig för oss.

Nihmya Abraha, IFK Stocksund P2010

A great experience for our boys in Salou. The tournament was well-organized and Antonio was present every day, always available to help us with anything we needed - from football logistics to booking water park tickets or recommending the best ice cream in town. Everything ran smoothly, and the players had a fantastic time both on and off the pitch. We'll definitely come back with him again!

Eric O'Neill, Essinge IK boys 2013

Boendet, transporten och maten var över förväntan. Fotbollsplanen och organiseringen av cupen var också bra. Jag kan varmt rekommendera framtida lag att åka på detta.

Kelfala Marrah, IFK Stocksund P06

Fantastisk upplevelse för laget! Jag kommer definitivt att komma tillbaka med fler lag från klubben. Antonio hjälpte till med allt, var ett plus att Salou är hans hemstad och han kan svenska.

Zack Senghore, Brynäs IF U19
